Sir:

This communication is responsive to the Non-Final Office Action dated June 15, 2007, concerning the above-referenced patent application. This Amendment is filed on or before the due date of 15 October 2007 which is extended by the Petition for One Month Extension filed herewith. Accordingly, this Amendment is timely filed.

The undersigned notes that a response to this Office Action was filed on 17 September 2007. Upon reflection, that response is hereby withdrawn and replaced by this response. No reliance should be made by the USPTO in any manner, including calculation of PTA, based on that response.

Amendment to the Specification begins on page 3 of this document.

Amendments to the Claims are reflected in the listing of claims which begins on page 5 of this document.

Remarks/Arguments begin on page 33 of this document.
